

# Abdulkadir Mohamed

Motivated and detail-oriented web developer with 5 years of experience in building, customizing, and maintaining WordPress websites. Skilled in hosting management, website migration, and domain transfer, with a strong foundation in both technical problem-solving and creative design.

## Education

### Business College Helsinki

Information and Communications Technology  
2025 -2026

### Axxell & Arffman Vantaa

Työelämän suomea -kurssi  
5.2.2024 – 11.4.2024

### SIMAD University - Somalia

Bachelor's degree on Computer Science  
2016 -2020

## Web Development Experience

### Freelancer

I have worked as a freelance web designer, building WordPress websites for various clients. My work includes setting up hosting, migrating sites, transferring domains, and creating responsive designs that are easy to use and maintain.

2022 - current

### SIMAD University – Mogadishu, Somalia

Designed and developed faculty and institute web pages integrated with the main university site, enhancing user experience, visual appeal, and traffic. Collaborated with departments to keep content accurate and applied best practices in layout, accessibility, and responsive design

12.2020 - 12.2021

### SOSTEC Tech, Mogadishu, Somalia

Designed and built responsive websites that worked well on all devices. Used content management systems to create easy-to-use and engaging sites based on client needs.

12.2018 - 5.2020
